

SOUTH SOCCER PARENT ORGANIZATION

Fall 2014

Welcome back to South Hunterdon Soccer! The South Soccer Parent Organization (SSPO) is looking forward to another great season for new and returning soccer players! The Girls Varsity Team is coming off their inaugural year and is once again coached by Bay Pedersen, while Luigi Moriello has moved up to head coach of Boys Varsity. The purpose of this letter is to introduce ourselves, let you know about upcoming activities, and to ask for your assistance and financial support.

SSPO is Soccer's Booster club. SSPO's mission is to partner with the school and coaches to support the South's soccer program. We raise funds to provide training and equipment for our athletes. In the past we purchased a scoreboard for home games as well as practice and game balls. We have subsidized team awards banquets, provided shirts and jackets, and sponsored the annual Youth Soccer Night at SHR. SSPO officers are Janine MacGregor, Will and Kathy Ferry, Tony Sabidussi and Heidi Tomenchok.

Events: Coming up this year are the Fall All-Sports Weekend, the River Cup Game against the Solebury School hosted at South, the Breast Cancer Awareness game, and other fun events such as pre-season spaghetti dinners and the end-of-season team award banquets.

Can You Help? To carry out these special events, SSPO needs the support of all our soccer families, not only by being present on the sidelines, but in the following capacities as well:

- Please see the donation form below and give whatever you can,
- Please indicate what upcoming event you can coordinate or volunteer to assist,
- Please come to our planning meetings on Sept. 16, Oct. 7, and Oct. 28, at 7:30 at SHR,
- Please participate and help your children participate in our pie-sale and other fundraisers.

YES, I'D LIKE TO SUPPORT SSPO and SHR SOCCER!

Check your level of contribution, detach and fill out form, then send it with your check to Will Ferry, 245 Brunswick Pike, Lambertville, NJ 08530
