Recommendation Letters

How do you choose a recommender?

- Academic teacher: English, math, science, history.
- Teacher who knows you well and can write good things about you.
- Teacher of a subject in which you plan to major.
- Teacher who was/is your coach or advisor.
- Preferably someone from junior year (no earlier than sophomore year).
- Feel free to also add a family friend, employer, coach, etc., as long as you have one strong teacher recommendation.

NOTE: Recommendation Letter Information Sheets are due to Ms. Laird and will be used by her & your teachers to write recommendation letters.
