KEY CLUB VISITS TRENTON AREA SOUP KITCHEN

On December 4th, fifteen members of the South Key Club traveled to the Trenton Area Soup Kitchen to serve lunch to approximately 250 homeless individuals and families in need. Upon arrival, volunteers got right to work putting on hairnets, aprons, and gloves to ready food and the cafeteria space for those in need. Then, each member helped package to-go meals and prepared individual bags of sliced bread or a roll to distribute to incoming customers.

Lunch was served from 10:30am until 12:30pm, and each Key Club member was assigned one of the many important roles; kitchen food prep, meal tray prep, delivery of a hot lunch to seated guests, the individual making of guest salads at the salad bar station, distribution of prepared meals to-go orders, coffee station, and return tray/ PBJ sandwich distribution.

This is a continual service opportunity for our Key Club and is so well run and organized that it is always a pleasure to come and serve in this community. The day was a wonderful experience for everyone involved and demonstrated our club members' dedication to serving others.

The Key Club is planning a repeat trip to serve lunch again in January, and have other volunteer opportunities on the horizon with other local organizations. There are so many opportunities to get involved in this organization, you can visit the trentonsoupkitchen.org for additional information.
