Spanish Honor Society Trip Funded by LAEF

On February 8, students from the SHRSO Spanish Honor Society traveled to the ACME building in Lambertville for a screening of Trina Bardusco's film, *We Heart Oaxaca*. The film documents Lambertville's community coming together to make preparations for The Oaxaca Festival last August. This short film focuses on the history of Oaxacans in Lambertville and explores the challenges in getting to know each other in our community. The Oaxacan Festival celebrates their vibrant culture, fostering unity and stronger community connections. After viewing the film, students enjoyed a traditional Mexican meal at Tacos Cancun in town. This trip was funded by a grant from the Lambertville Area Education Foundation (LAEF).
